## NOW IS THE TIME FOR A NEW BEGINNING

October, 2010

### COMINGS & GOINGS

Thanks goes out to Sandra Delaney for her support and dedication she has given to SVSC. As many of you know she is the granddaughter of our founders John and Nancy Dulle. Sandra put off her dream of getting her masters and moved to the club over a year ago to help her uncle Michael run things, in December 2009 she took over as manager of the property. She has done a good job overseeing things, but it is time she pursues her dream and career. November 1st, she will be handing the reins over to the new managers, Larry and Sharon Creston.

### LARRY & SHARON

They were married June 2004 after knowing each other for over 18 years. They have been nudists for over 40 years. After over 35 years of working in management they have recently retired. They have been members of several clothing optional resorts. They both love traveling to national parks, camping, fishing, hiking, the beach, mountains and all aspects of wild life, but number one is spending time with their grandchildren.

Sharon: Born in Des Moines, Iowa in 1946 and moved to California in 1964. She has one daughter, Lisa and two granddaughters, Presley 7, and Vanessa 12, living in California

### Comings & Going Cont

She worked one summer season at Laguna Del Sol clothing optional resort in housekeeping and worked 1 1/2 years as assistant manager and event coordinator at Mystic Oaks Private Resort.

Larry: Born in Missouri in 1947 and moved to California 1948. He has three children, Eric, Candy and Heather also 8 grandchildren, all of whom live out of state. He assisted with cooking and maintenance for 1 year at Mystic Oaks Private Resort. He is very hard worker and likes to remain busy.

### PAST EVENTS

Good times were had by all this past Labor Day weekend. Throughout the weekend there was relaxing and visiting with one another in the pool, on the sun deck and campsites. On Saturday night we had a western theme and danced the night away to the great music of Mainstream.

On September 19th & 20th, several members cooked their own special spaghetti sauce and of course everyone ate too much while enjoying a fantastic spaghetti dinner. Thanks go out to all the great cooks that donated their time and sauce for all to enjoy.
